

# Westmoreland Heritage Trail Memorial Bench Program

Benches may be ordered to commemorate or honor a person or a group for a period of ten years. The Westmoreland Heritage Trail Chapter will order, assemble, and install the bench at a selected trail location. An engraved plaque, placed on the back of the bench, will recognize the memorial / honoree and the donor. Benches are the property of Westmoreland Heritage Trail and are maintained by the trail. **No additional memorialization or decoration is permitted.**

**The minimum donation for a memorial bench is \$1,500.00, of which 60% is tax deductible.**

I would like the plaque to be worded:

---

---

*Wording Examples: In Memory of Jane Doe by Her Family, In Honor of Uncle Charlie by His Family and Friends*

☐ I would like to specify an approximate location on the trail for my bench

*Please Note: The WHT will do its best to accommodate your selected location but is prohibited by some landowners from installing benches on any trail section that abuts their property.*

☐ I would prefer the WHT place my bench at a convenient resting stop for trail users.

Length of memorialization: After 10 years (the life expectancy of the bench) your plaque will be removed from the bench and placed in storage for future installation at a central location along the trail. A bench memorial can be renewed for an additional five years at 33% of the rate of a new bench at that time (currently \$500). It is the donor's responsibility to notify the trail of any changes in contact information during the 10-year period of memorialization.
